Do not pay \$20 for this game, the art style is pretty charming. The whole claymation esthetic would of sold this game itself. . . If there wasn't already a single player version (Don't Open the Doors). Oh and good luck connecting to another human being on this planet in this game, it's max player count it ever reached is 9 and that was at release. I wished this game would of been more successful cause I actually like what they got here, if you like games like Don't Starve Together then this game would of been right up your alley but as it stands you might as well as be playing Dont Open the Doors (which may I add is half the price of
