Share this: Like this: Related Published by Sascha This blog is about the things I do in and around Germany. Most of them are German related. I think if you like the things I post, you'll like my blog as well. If you don't like the things I post you probably won't like me. There's nothing I can do about that. :-) I am always open to comments, but they have to be really interesting to be published. I have never been able to accept anonymous spam comments on my blog.
